

CLASSIC I LIVING LAB

Specifics of this format

You take on a challenge provided by an entrepreneur, (non-profit) organisation or local government. Together with them and your transdisciplinary team, you will work on a real-life solution. You get the opportunity to use your knowledge and interest in an international setting from home.

Mobility & Locations

This format takes place fully online, there is vno mobility or travels included.

Team assembly

The teams are built according to the theme you choose. Depending on the registrations, your team will be formed with students from max. 6 different universities.

Dates & Times

07 March 2023 – 31 May 2023

You'll start with 2 weeks of ONBOARDING. There is an online Kick-Off Show, and you and your teammates have the opportunity to get to know each other. In the following 8 weeks, you will work together on your challenge. You'll meet with your team according to the agreements of your I Living Lab. Note that there are 2 weeks of Easter holiday included. The last 2 weeks will be OFF-BOARDING.

ECTS

For participating in a Classic I Living Lab, you will receive 6 ECTS.

This format is perfect for...

E³UDRES² students that want to get international experience, but are unable to travel. Or students who would like to have the international experience but are unable to interrupt their studies for a longer amount of time. This format is easy to combine with your current studies.
